

Green Mount Cemetery Commission Minutes

City Manager's Conference Room, 39 Main St., Montpelier City Hall

Date: December 8, 2025

Attendees: Jason Kass, Barbara Smith, Danielle Harris Burnette, Linda Hogan

Absent: Darragh Ellerson

The meeting was called to order at 12:09.

Barbara made a motion to accept the Minutes, and Jason seconded it.

Patrick was attending the New England Cemetery Associations Conference in Massachusetts, so there was no Directors' Report. He will report to the Commissioners at the next Meeting.

Jason, Patrick, and Sarah LaCroix will be meeting with the folks at Maple Capital. The date and time is yet to be determined.

There was a discussion about the need for the Hubbard Gate Preservation. Danielle thought that we should start by contacting the Vermont Division for Historic Preservation. There is also the National Trust for Historic Preservation, which Danielle said was a very complicated process, and it would be good to have the Vermont Historic Preservation in place first. There is also a funding possibility at the National Parks Service, as the Montpelier Senior Activity Center and the North Branch Nature Center of Montpelier have brought many folks to GMC for classes and exploration. Jason speculated that it could be millions of dollars for repairs to the gate. Jason will check in with Meredith Crandell as well.

The next meeting will be on January 12th in the Memorial Room.

Barb made a motion to adjourn, and Linda seconded. The meeting was adjourned at 12:43
