Adjournment

February 21, 2013

Montpelier, VT

William J. Fraser
City Manager
City Hall - 39 Main Street
Montpelier, VT

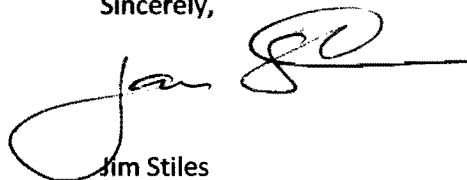

Dear Bill,

Please convey my interest in membership on the Montpelier Energy Advisory Committee to the City Council. I have been attending MEAC meetings regularly for several months – ever since we took up official residence here – and I have worked on three committee projects so far: the Home Energy Challenge, the Energy Fair, and the Car Share Vermont initiative. And as you know, my interest in transportation is broad, including the relationship between transportation generally and parking specifically.

My work in energy spans several decades now. My first serious work was as a student at Marlboro College (outside Brattleboro), where in 1973-74 I directed a National Science Foundation-funded student research project to work out how to make the college energy self-sufficient. Since then I have been involved in many other energy-related efforts including starting an alternative energy store in Brattleboro, working on a municipal utility initiative in Brattleboro in 1977-78, co-authoring a book on home insulation, starting a 501(c)3 to support the creation of environmental initiatives, trained as a Home Energy Rater, helped author a Home Energy Rating System for a HERS providership, worked on two electric vehicle initiatives, and many others. Until departing Newburyport to move here, I served as a member of the energy advisory committee there, where I drafted a city policy on energy efficient vehicles, helped lead a street lighting initiative, and participated in many other projects with the committee.

Thank you and please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim Stiles", with a stylized flourish extending to the right.

Background for the 2/27/13 Montpelier City Council Agenda Item on Sidewalks:

Summary of the 2012 Sidewalk Steward Report (A draft of this report was looked at, commented on, and updated by Todd Law and Brian Tuttle of the DPW and the revised full report was previously given to the City Manager to be distributed.)

Most or all of the following streets were monitored in the Fall of 2012: Ridge, East State, Loomis, Main, State, College, Berlin, School, Liberty, Winter, Summer, Pearl, Northfield, West, Barre, Court, Elm, Town Hill, Lower State, Clarendon, Hubbard, Park, Bailey Extension, and Vine. Following are the results of the 2012 Spring/Fall Monitoring: Hazards 298; Not corrected 209; Corrected 58; Areas on Ridge Street. East State St. Main St., State Street, and Clarendon Street had noticeable corrections.

Following are the rough results of a somewhat equivalent 2011 Spring/Fall Montpelier Sidewalk Monitoring for comparison's sake: Hazards 221 Not corrected 139; Corrected 25 The 1 distinct area where there were corrections was on Main Street corners near Main Street Middle School for traffic calming.

Brief Evaluation: Good News: In 2012 there were more major corrected street segments observed (5) and more individual corrections of hazards (58) both in absolute terms and percentage terms than in 2011. Bad News: There are still too many fall hazards. puddling, and icy areas, Update : More good news: The sidewalk steward observed some corrections especially on severe hazards undertaken up until early December 2012, well after his Fall monitoring was complete, but he did not do a systematic recording of the actual numbers. More bad news: some 2012 repairs are not holding up well.

Recommendations

The Sidewalk Steward in his meeting with Todd Law and Brian Tuttle reviewed the BRC report as regards sidewalks. Todd and Brian seemed to agree they should further explore its following suggestions: a) work on obtaining grants, b) check out the greenbelt rule of Burlington and other means to reduce puddling, c) hire summer help for small jobs in the summer season to do minor sidewalk repair when the plate of the regular DPW staff is stretched d) develop better ways to coordinate private and city repairs so driveways and sidewalks have fewer fall hazards,

For City Council: a) initiate the development of a pedestrian plan using citizens and the DPW; b) improve the city website concerning complaints about sidewalks and the coordination of private driveways and public sidewalks repair similar to what the Burlington city website does.

Background for the Major New Recommendation

The Sidewalk Steward has a recommendation for an organizational change regarding citizen involvement. Originally it was the Unitarian Church of Montpelier as a member of Vermont Interfaith Action (VIA) listening to their members that undertook to address sidewalk issues in Montpelier. They organized an Action, attended by a majority of City Council members, which resulted in a 12/1/2010 City Council Resolution on sidewalks. They have continued to be in contact with City Council members on sidewalk issues. They recruited a group of sidewalks stewards to monitor sidewalk conditions in Montpelier. The role of the stewards, mentioned in the current City Council's goals, has evolved over the past years both positively and negatively. Its monitoring has improved. At this stage however I am the only steward. In the late fall of 2011 the Sidewalk Stewards formed a sub-committee of three (David Abbott, Marty Flanagan, and myself) to make recommendations concerning the winter plowing of sidewalks in 11/12 and the DPW adopted significant parts of those recommendations which seemed to have good results. After this coming winter this subcommittee will be better able to judge the results.

At this point Unitarian Church of Montpelier is moving on to other issues. **Thus I recommend that the City Council now establish a Pedestrian Board or Committee under Montpelier's, not VIA's umbrella to do the work of the Sidewalk Steward(s) and other tasks to make Montpelier a more pedestrian-friendly city. This Pedestrian Board or Committee could and should be given a role if there is a pedestrian plan developed, the most important recommendation of the BRC. I am willing to be a member, suggest other members, and to continue being a steward leader if the Council so desires. Although in many ways it was easier for one person to do the monitoring rather than the dozen or more that carried out the first monitorings, a small group would no doubt be better than one person. I don't know the procedure for setting this Pedestrian Board or Committee up, but I can't imagine it would be difficult and hope the City Council will do so.**

SUBJECT: SUMMARY BUDGET REPORT BY DEPARTMENT FOR GENERAL FUND AND DETAILED BUDGET STATUS REPORTS FOR GENERAL FUND, WATER FUND, SEWER FUND, CEMETERY FUND, PARKS FUND, PARKING FUND AND SENIOR CENTER FUND FOR A SEVEN MONTH PERIOD BEGINNING JULY 1, 2012 AND ENDING JANUARY 31, 2013

Enclosed please find budget reports for the above reference funds. **For the General Fund, please note that 94.5% of revenues budgeted have been received (compared to 93% last fiscal year) and 66% of expenditures budgeted have been expensed for this time period (compared to 62.5% last year). This represents 58% of the budget year completed.** Note: These percentages have been adjusted so that they do not include the \$250,000 District Heat loan proceeds (in revenue) and transfer (in expenditures). Also, bond proceeds of \$1,670,000 have been adjusted out of revenue totals.

GENERAL FUND NOTES:

Revenue:

Although some fee-based revenue is coming in below projections, other revenues, such as Ambulance Call Fees, may cover these shortfalls. The reduction in State PILOT of \$24,000 is offset by increases in Local PILOT received this year.

Expenditures:

As we put another month behind us, one unexpected cost has occurred. The city hall elevator needs major repairs which could cost \$50,000 (or higher). There will be saving in salaries and benefits due to vacancies in the Assistant City Manager, Zoning Administrator and GIS/Web Manager positions. These savings in personnel may offset the elevator repair cost. If so, we will not be turning to ADA bond funds to finance this unexpected expenditure. We continue to watch this winter's weather and hope to stay within our salt, sand and DPW overtime budget. Note: In the Equipment Plan, the Fire Department appears to be \$290,157 over budget but we will be receiving grant and loan funds to pay for the new fire truck.

WATER FUND:

After three quarters of billing, 76% of budgeted revenues have been received. 71% of expenditures budgeted have been expensed for this time period (compare to 65% last year). Capital expenditures are higher than budgeted due to unexpected repairs to equipment and a pavement patch relating to a major water main leak. Debt principal payments are \$10,920 higher than expected because the 2012 bond refinancing revised the payment schedule.

SEWER FUND:

80% of revenues budgeted have been received (compared to 83% last fiscal year) and 62% of expenditures budgeted have been expensed for this time period (compared to 60% last year). As in previous year, Septage and Leachate revenue continue to be high. The Wastewater Treatment Equipment Repair expenditure line is over the budget due to a repair to the bridges.

These Budget Reports are scheduled for the City Council Consent Agenda for Feb 27, 2013.

Greetings:

I respectfully request that I be appointed to the Montpelier Tree Board. I began volunteering with the Tree Board in 2012 and have been impressed with their dedication and work ethic in support of Montpelier's trees. I have been a resident of Montpelier since 1986 and decided it is time to give back to this wonderful community. Thank you for considering this request.

Sincerely,

John J. Akielaszek

Dear John:

I would like to ask consideration to be named to the Montpelier Tree Board, a volunteer position, one that provides the community with useful resources - - time, energy, tree works and a quest to further improve the environment in Montpelier. Years ago I served on the Tree Board and have remained a volunteer on occasion over the past decade.

Thanks for your review and hopefully a favorable response.

Sincerely,

Montpelier City Manager,

I am writing to express my interest in serving on the Montpelier City Tree Board.

I am a relatively new resident to Vermont, having moved here a little under 5 years ago. Since then I have become involved in volunteer work for a number of environmental and conservation organizations. I currently serve on the boards of the North Branch Nature Center and The Friends of the Winooski River.

I very much enjoy working with these groups and feel that I have been able to contribute to their mission. I would like to do the same for the Tree Board. I am particularly interested in the tree nursery project and how it can be used to not only provide trees for our community lands but also promote more awareness of the benefits of our park lands and natural areas. And although I am not an arborist, I would bring some knowledge of trees through my training as a Master Gardener.

I would welcome the opportunity through the Montpelier City Tree Board to become more involved with the community and city government to help protect and preserve, in some small part, our natural environment.

Sincerely,

Jeff Schumann

Hi Sandy,

Jeff is a Master Gardener and I think will be a good voice on the board. His email is jefflynn.vt@gmail.com. I agree that John A is a great person to have onboard too!

I don't know Jeff, though at our last meeting he seemed like he would fit in well. I'd hoped Ken could join us but, unfortunately, he does not live in the city.
