Green Mount Cemetery Meeting

August 10, 2026

Attended by Jason Kass, Barbara Smith, Darrah Ellison, Danielle Harris-Burnette, Linda Hogan, Patrick Healy

The meeting began at 12:15 P.M.

A motion was made to accept the agenda by Darrah and seconded by Darrah and was accepted.

A motion was made to accept the Minutes by Barbara and was seconded by Barbara. Accepted.

Perpetual Care Fund: The Money Market account has enough money to withdraw \$30,000 for various GMC projects. It has been determined by Peggy Monroe that we reinvest the NAV holding. Accepted.

There has been recent confusion about the deed process for the sale of plots that was highlighted by a complaint and Jason and Patrick recently met with her. The confusion revolves around the wording and that it is a dual receipt for both GMC and the City. It was decided that we need to rewrite and simplify the deed process and have it reviewed by a lawyer. Patrick will request the deed documents from other cemeteries. Barbara and Jason are willing to help with the review.

Patrick is planning on tracking the Perpetual Care memorials in the winter.

Ongoing Projects: FEMA and water runoff.

GMC was awarded FEMA funding after the 2023 Flood and have engaged engineers with the help of the city to do a drainage study.

Patrick got a call from the Fire Department about painting two of their flag poles. Patrick will follow up.

Barbara expressed that there need for more color at GMC and Patrick mentioned a place near Route 2 near the new trees that were planted. Daffodils are planned for seasonal planting. Danielle will check with the Main Street Middle School and Montpelier High School for volunteers.

The meeting was adjourned at 1:05 PM.

Respectfully Submitted,

Linda Hogan

Secretary
