Advocacy

- e-Bike Statute “with teeth” and bikes on sidewalks and recreation path; review Scott’s proposed language for e-bikes on sidewalks (Scott)
- CSC participation in Country Club Road development process/letter to City Council (John)

Infrastructure

- Additional bike parking and placement (Corey)
- Signage on cycle track (Holly)
- Storm drain stencils (Nancy)
- Trash receptacles and placement, especially Big Belly inventory (Holly)
- East State Street sidewalks (Holly)
- Bike fix-it station at recreation path street crossing Barre St/Granite St (Holly)

Administration

- Update on written guidance on City Council liaison expectations (David)
- Follow up with Alec and Kassia re: safer biking on Elm Street pre-paving plan (David)
- Discuss committee’s annual report to City Council, including CSC amended charter (Holly)
 - o “Mission: *The Complete Streets Committee (CSC) advises the City Council on overall planning, policy, and programming for the city’s infrastructure and transportation network, while actively advocating for streets that are safe and accessible for all users – especially pedestrians and bicyclists – of all ages and*

abilities. By combining formal policy recommendations with community education, public outreach, and cross-sector partnerships, this Committee works to ensure Montpelier's transportation infrastructure supports pedestrians, bicyclists, transit riders, and motorists alike—ultimately enhancing public health, safety, and quality of life."

- Update on the Burlington Bike Ped Committee short meeting – If it has been held yet (Corey)
- Update on DPW grant applications (Corey)

Events

- Henry Graber, author of [*Paved Paradise: How Parking Explains the World*](#), proposed speaking event in October (Holly)
