

Montpelier ADA Committee

January 7, 2014

Subject to review and approval

Attendance: Kim Brittenham, Tom McArdle, Thom Wood, Chris Lumbra, Marty Roberts, Jessie Baker, Kevin Casey.

Introductions and Welcome

Meeting called to order by Kim Brittenham, Chair. Marty asked that people be informed if a meeting is cancelled.

The agenda will stay the same so the meeting will be added to the web calendar.

Thank you to Kim for bringing the lemon poppyseed rolls.

Check in on Committee priorities 2014

1. To increase ADA committee involvement
2. Administrative priorities
3. Facilities and program priorities

The items that were not accomplished in 2013 have been moved to 2014. Some of those is to review the snow removal plan, a walking tour, training for construction, and employment practices (Title I).

Updates from Committee Members

Chris reported that Village Pizza leveled out their floor and created a step. It has since been corrected.

Sweet Melissa's on Langdon Street is having issues making their building accessible. It might make a good case study for an accessibility training that is happening in Randolph next Wednesday.

The High School is having issues with the new security doors and accessibility bumping up against the security issues.

There is a design resolution to modify the City Clerk's counter to conform with the ADA standards.

Review and Approve Meeting Minutes from November 5, 2013

There were no issues with the minutes.

Confirm Next Meeting Date – February 4th is the First Tuesday of the Month
