2. Review and Approve Minutes
3. Potential Taser Risks for People with Disabilities – Discussion*
4. Update on Facility Assessment Bid Process – Bill
5. Brief Update on Rec Dept Pool Assessment – Kim
6. Library Automatic Door - Discussion Continued**
7. Other Updates – Committee Members
8. Set Next Meeting Date

*Community member brought concern of potential risk of tasers on people with medical conditions to VCIL. I was asked to bring this to the Montpelier ADA Committee to discuss possible request for specific training on taser use with at risk populations for our officers carrying tasers. Here is a link to the Taser product warning that sites at risk individuals:

<http://www.taser.com/legal/Documents/Law-Enforcement-Warnings.pdf>

**Dan Pudvah emailed Committee Chair asking for next steps to take to apply for City CDBG money to cover portion (not named) of the \$4,200 installation of power door opener. This is based on Dan's understanding we are amending the CDBG loan fund to allow for small grants for access improvements for businesses and non profits.
