

Pedestrian Committee Agenda
November 24, 2015 5:15-6:30 p.m.
Police Department Conference Room

- Approve minutes from October (5:15)
- Receive public comments (5:20)
- Winter safety: report on cost of clip-on lights for pedestrians (Erin and Tom) (5:25)
- Update on technology tools for public to report icy walking conditions to DPW (Laura) (5:35)
 - Discuss whether to encourage DPW to purchase software
- M&M Beverage lot – eminent domain proceedings (Eve) (5:50 p.m.)
 - Request to give input to city council on necessity of city acquisition of property at corner of Main and Barre Street for multi-use path. Eminent domain hearing is Monday, Dec. 14 at 5:30 p.m.
- Report on Transportation Advisory Committee's November meeting and discussion (Eve and Harris) (6:05)
 - TAC will choose chair and secretary at next meeting; TAC will meet monthly for several months to develop working plans. TAC asked for input on developing parameters for use of city's Alternative Transportation Fund. We should discuss how we want to see this \$45,000/year fund used. Questions to consider include: should it be used for special projects that DPW would not normally do? Should it be used for maintenance? Should it be used to leverage grants?
- Discuss setting goals for committee work for the year (6:20)
 - Should we refine goals that have come up in recent meetings? Formalize them?
 - Create work plan to guide upcoming meetings?
- Other business
