Pedestrian / Bike Master Plan

It was reported that the kick-off meeting for the development of a pedestrian / bike master plan for the City of Montpelier had taken place on May 8. Several committee members attended as did members of the Bike Committee and various representatives of City departments. The first working meeting for the steering committee is scheduled for June 24. It was noted that any member of the Pedestrian Committee was welcome to attend any of the steering committee's meetings.

Meeting Dates

There was a discussion about whether future meetings should continue to be scheduled on Tuesday evenings, or whether another day would better accommodate members' schedules. Chris Andresen agreed to poll the members on this issue.

Walk Friendly Communities Application

Hannah Reckhow reported that the application was virtually complete and would be ready to be presented to the City Council for approval at its May 28 meeting.

Next Meeting

After a discussion of scheduling conflicts, the members decided to cancel the Committee meeting that was scheduled for June 24. The next meeting of the Committee is scheduled to be held on July 22.
