

MONTPELIER RECREATION DEPARTMENT'S

ADVISORY BOARD MEETING

September 24, 2014

Attending Board Members: Aubrey Boyles, Andrea Talentino, Karlynn Koeneman, Buzz Surwillo, and Ena Backus.

Absent Board Members: Tom Golonka (City Council), Susan Aldrich (School Board).

Attending Rec. Department: Arne McMullen, Director.

Guest Presenter: John Hemmelgarn.

Call to order: 6:05 p.m.

Questions for John from Black River Design.

Can the lift be updated later?

Yes, but a new shaft would be needed to add an elevator. A LULA lift would only work basement to first floor only.

Can we reverse ramp and enter through the office or game room? That could be a possibility. It would have people enter closer to the front of the building.

Sample ramps to look at. VCIL and the ramp on the back of the St. Augustine's Church.

If you go with a ramp some possible materials to build with are pressure treated material or the trex material.

The ramp would need to be between 36 and 42 inches with 5 foot landings where needed. Follow ADA requirements. John was also looking for some ideas for the roof of the ramp using different types of materials.

Time to do ADA improvements: Estimated time is about a Month.

John is going to do a couple of sketches and a plan with these new ideas for our next board meeting on Oct. 15.

The Rec. Board is in favor of the ramp proposal and the family bathroom and are going to go over further updates in the next meeting.

Our Oct. 8 board meeting has been moved to Oct. 15 at 5:15 p.m. This meeting will be at the Recreation Department.

The Recreation Board Budget Meetings will be on Oct. 13 and Oct. 20 at 5:15 p.m. in Room 106 at Montpelier High School.

Meeting Adjourned: 7:10 p.m.
