Homelessness Task Force CHARGE

The Montpelier Homelessness Task Force is charged with providing the City Council with a report in three months that includes:

- Creative, collaboratively developed short-term ideas and/or solutions to improve conditions for the people who are homeless
- Policy recommendations and concrete ideas for longer-term structural and systems improvement that the City could implement, along with a preliminary budget and timeline for duration of work and implementation

Ideas and recommendations should be supported by data that includes:

- Information regarding the scope of homelessness in Montpelier and the needs of people experiencing homelessness in Montpelier
- The systems currently in place in our region to address homelessness
- The range of concerns, perceived barriers, and potential solutions identified by the community
- Existing strategies in other cities or states, recognizing that the location of our city requires solutions that are responsive to our changing seasons o
