Green Stormwater Infrastructure (GSI) Walking Tour for Montpelier, Vermont

Presented by Colin Brown

10-23-2019

Confirmed Locations:

- Elementary school
 - o 1 Park Ave, rain garden
- Hunger Mountain Co-op
 - o 623 Stone Cutters Way, rain garden
- Community College of Vermont (CCV)
 - o 660 Elm Street, bioretention basin
 - o This is a relatively ambitious destination, and the path would cut through Hubbard Park.

Unconfirmed Locations:

- VNRC
 - o 9 Bailey Ave, pervious pavement
- VSECU Credit Union
 - o 1 Bailey Ave, rain garden
- Future Transit Center
 - o 1 Taylor Street, curb cuts and bioretention

Not Yet Contacted Locations:

- Parking lot on 133 State Street
 - o Bioretention basins

More Research Needed:

- Montpelier High School
 - o We have very little information on this site, but have heard there is GSI here.
- Caledonia Spirits

Miscellaneous:

- ___The Winooski River

- This will be used to emphasize the connection between GSI and the broader watershed, and how individual action can improve surrounding water quality.
