Members of the public: none

Meeting called to order at 6:05 by Constantinos

Agenda approved by unanimous consent.

Minutes approved by unanimous consent.

Chapter 10 Ordinance to City Council

Presentation to Council tentatively scheduled for Jan 8

Traffic Calming

Unable to meet in November, will be meeting in December and report out in January.

Committee note taker

Celia offered to provide notes as a back-up

City Plan Discussion Part 1 – Goals and Aspirations

Planning Commission going to committees first to develop strategic approach and then go out to public.

Discussion around developing “Aspirations” and “Goals”. Discussion around whether to specifically reduce prevalence of vehicles in downtown. Look to collaborate with state leaders and employers to gain alignment on shared goals surrounding transportation.

Discussion to continue next meeting. Committee members to spend time thinking about aspirations/goals/strategies and share with Constantinos prior to next meeting (by end of 2019).

Winter Infrastructure Maintenance/DPW Update

ATF request received for hitching post at co-op. To be reviewed at Jan meeting.

Order placed for next RFB.

Discussion around prioritization of winter maintenance on roadways versus sidewalks/paths.

Meeting adjourned 7:42pm.
