Open meeting at 7:06.

1. Introductions
 - a. Public Guests
2. Review and approve agenda - Approved via unanimous consent.
3. Review and approve minutes - Approved via unanimous consent
 - a. September Minutes
4. Public comment and member announcements - None
5. Updates
 - a. DPW
 - Diagnostics meeting for Main St rail crossing. Prelim plan had all three projects incorporate together. Timeline on it was not clear, lots of ROW needed.
 - Path project waiting on environmental approval. And rescinding spending freeze from city.
 - Towne Hill Rd Class 2 paving grant a possibility.
 - b. Complete Streets Committee –
 - October meeting postponed till next week.
 - September meeting discussed brochure, and it is finalized, and will be available for tabling at public events.
 - Discussed interim solution for Barre St, not likely to happen till 2024. Time will be spent repainting needs throughout city.
 - CSC asking what their members top 5 priorities were. (provided in meeting attachment).
6. Other Business
 - a. CIP Budget – Review attachment of last years priorities, and CSC input.
 - Reiterate Barre Street, Dog River funds from FY24.
 - Sidewalk adjacent to paving, Corey to provide list of paving.
 - RRFB – 5 seems like a stretch, perhaps a shorter list of possible a few possible sites.
 - Create a place holder out year for Realto bridge, downtown master plan, state improvement.
 - b. Side discussion on demonstration projects.
 - Could a demonstration project be done in Montpelier. Elm st, or State from

Taylor to Elm.

- Demonstration of a planned project, before final work is probably best practice.

Lost quorum at 8:31pm.

c. Chair Discussion – Ian

- No decision made, will need a interim chair to step up to host next meeting.

7. Adjournment
